Terry C. Anderson
Legislative Council Director

Laura D. Rose
Legislative Council Deputy Director

CLEARINGHOUSE RULE 05-063

Comments

[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Revisor of Statutes Bureau and the Legislative Council Staff, dated January 2005.]

2. Form, Style and Placement in Administrative Code

a. The statement of statutory authority should cite s. 227.11 (2) (a), Stats., rather than 227.135, Stats.

b. In s. Tax 18.07 (1) (d) 2., the notation “s. Tax” should be inserted before each occurrence of the reference to “18.07 (1) (b).” Also, a period should be inserted after the first occurrence of the notation “subd.”

c. SECTION 6 of Clearinghouse Rule 05-063 eliminates the authority under s. Tax 18.07 (3) (a) for a property tax assessor to adjust the use value per acre of agricultural land “to reflect more accurately the use value of that parcel of agricultural land.” An explanation of this change should be placed in the “Analysis” to the rule.
